

SWIPE White

SWIPE WHITE

HLD
Laundry Powder

**SWIPE WHITE 'HLD' LAUNDRY POWDER
SUPER CONCENTRATED – SUPER STRENGTH
PHOSPHATE FREE – ENVIRONMENTALLY FRIENDLY**

- IDEAL FOR FRONT OR TOP LOAD WASHERS
- MAKES WHITES WHITER
- COLOURED FABRICS BRIGHTER

SAVES TIME AND MONEY

100% ACTIVE INGREDIENTS FOR CLEANER BRIGHTER RESULTS

Most laundry washing powder detergents available in the market today contain fillers. These fillers are usually cheap inorganic materials used to give bulk. Most troublesome fillers are insoluble. They hinder washing action, dull colours and clog washing machines.

SWIPE WHITE 'HLD' contains NO FILLERS and is 100% active so works harder and makes clothes cleaner and brighter.

SUPER CONCENTRATED: - SAVES TIME – SAVES MONEY!

**100% ACTIVE
INGREDIENTS
–
NO FILLERS TO GIVE
BULK!**

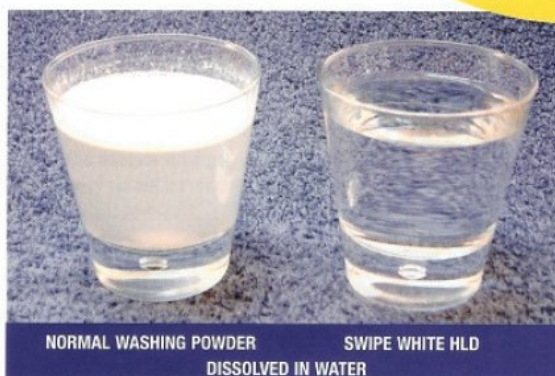

SWIPE White

Because SWIPE WHITE HLD is super concentrated and free of fillers it dissolves totally in water and you only need between 25 to 50 grams per washload. This means that one 2.5kg pack can last approximately 3 months saving you time and money i.e. between 50 to 100 washloads depending on the size of the load. (How many washing powders available in the Super Markets can do that?)

- SP05** SWIPE WHITE 'HLD' LAUNDRY POWDER PACK
(includes 2.5kg HLD plus reusable dispensing & storage bucket and scoop)
- SW06** 2.5KG BAG SWIPE WHITE 'HLD' LAUNDRY POWDER REFILL in disposable plastic bag

SWIPE Soak

SOAK

Pre-Wash Stain Remover
& Brightener

PHOSPHATE FREE – Environmentally Friendly

We are proud to announce the all SWIPE Laundry Products are Phosphate Free. Whilst Phosphates are essential to plant growth, an excess in our waterways from household waste water can contribute to the formation of Blue Green Algae. This algae and other exotic plant life grow rapidly, choking waterways & quickly use up all the oxygen causing fish & native plants to suffocate and die, therefore releasing more phosphate! Phosphate free detergents help minimise algae growth.

SWIPE SOAK **SCIENTIFICALLY FORMULATED** **LAUNDRY SOAKER**

Enzyme and Oxygen Activated

- Ideal for:
- ~ Removing Tough ground in Dirt & Stains
 - ~ Making Whites White & Colours Brighter
 - ~ Soaking Nappies – Anti Bacterial Strength

SWIPE SOAK – PRE WASH STAIN REMOVER & BRIGHTENER

Is a high quality enzyme and oxygen boosted pre-wash soak for difficult, stubborn in-ground dirt and other stains.

EFFECTIVE BUT GENTLE

This effective but gentle soak makes your whites whiter and the colours brighter, it is tough on dirt but not on your clothes because of the active oxygen and enzyme boosters.

SWIPE Soft

**FABRIC
CONDITIONER**
"Soft"

SWIPE 'SOFT' FABRIC CONDITIONER & SOFTENER SUPER CONCENTRATED

MAKES YOUR CLOTHES:

- ✓ SOFTER
- ✓ LUXURIOUSLY FLUFFIER
- ✓ FRESHER
- ✓ DELICATELY FRAGRANCED

SAVES TIME AND MONEY:

- ✓ MAKES IRONING EASIER
- ✓ REDUCES STATIC & CREASING
- ✓ REDUCES DRYING TIME

SUPER SOFT

Especially developed for softer, delicately fragranced clothes. It reduces drying time, creases and static making ironing easier, woollens softer and towels fluffier. One litre of concentrate makes up to 11 litres of fabric conditioner.

TESTIMONIAL RECEIVED FROM ONE OF OUR THOUSANDS OF SATISFIED CUSTOMERS...

"I think the Swipe "SOFT" Fabric Conditioner is the best softener on the market. My clothes come out of the washing machine with a fresh smell and really really soft. It also makes ironing much easier. Most of all it lasts for ages. It's extremely economical. I love it!"

N.W. - Randwick NSW
